

Product Name :
ABS Braking System Panel

Product Code :
TechnicalLab0458

Description :

ABS Braking System Panel

This product is an educational trainer of a modern ABS braking system for automobiles. It is mounted on a sturdy stand with wheels and easily allows you to:

- Teach and describe all of the brake parts connected together to enable an easy understanding of the brake assembly operation.
- Outline each of the parts, which have been carefully sectioned for training purposes and painted for easy differentiation between the mechanical parts.
- Effortlessly move and store this trainer because of its compact and inclusive design.

SPECIFICATIONS:

- Self-ventilating disk brake with phonic wheel and sensor
- Rear disk brake with phonic wheel and sensor
- Servo brake with foot control panel and brake pump
- Electronic control unit
- Oil tank

- Mounted on stand with wheels
