

Product Name : Automatic Rolling Shutter Motor for Electric Motors Teaching Labs	Product Code : ADM-041
 A photograph of an automatic rolling shutter motor. It features a large, circular, silver-colored metal housing with a central opening. Attached to the side is a red plastic component, likely the motor or control unit, which has a label with technical specifications. Wires are visible at the bottom of the red unit. The entire assembly is shown against a white background with a reflection below it.	
Description : Automatic Rolling Shutter Motor
