

Product Name : Float Steam Trap - Heat Transfer Training Systems and Heat Lab Engine Trainers for engineering schools	Product Code : NEMHTM28
	
Description :	
Float Steam Trap, technical teaching equipment for engineering - Heat Transfer Training Systems and Heat Lab Engine Trainers	
Technical Specification :	
We have in our store a wide and remarkable range of Float Steam Trap designed to experimental demands. The products we offer are manufactured using quality grade raw material. All our products are scrutinized before dispatching under the supervision of expert using latest technologies and tools which we get manufactured from our reliable vendors. Features: ● High durability ● High retention power ● Temperature resistant ● Easy installation ● Efficient and durable	

Specifications

- Flood resistant to Sepsinate water
- Designed for full efficiency
- Very long lasting
