

Product Name : Gas Engine, 6 Cylinder, BMW with Multi-point Electronic Injection & Dual Overhead Camshaft	Product Code : TechnicalLab0257
---	---

Description :

Gas Engine, 6 Cylinder, BMW with Multi-point Electronic Injection & Dual Overhead Camshaft

This product is a cut-away of a BMW gas engine with multi-point electronic injection and twin overhead camshaft. This cut-away is carefully sectioned for training purposes and professionally painted with different colors to better differentiate the various parts, cross-sections, lubricating circuits, fuel system, cooling system etc. Many parts have been chromium plated and galvanized for a longer life. It is operated electrically at 120V, and it is mounted on a stand with wheels.

SPECIFICATIONS:

- Displacement: 2000/2500 cc
- Double overhead camshaft (DOHC)
- Distribution by means of a roller chain
- 4 valves per cylinder
- 6 in-line cylinders
- Gearbox: 5 forward speeds + reverse
- Operated electrically at 120V
- Mounted on a stand with wheels
