

Product Name : Manual CVT 2 Stroke Single-Cylinder Engine with Carburetor (on stand with wheels)	Product Code : TechnicalLab0300
--	---

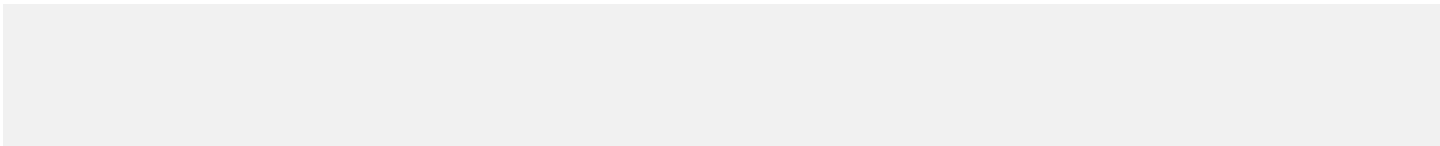

Description :

Manual CVT 2 Stroke Single-Cylinder Engine with Carburetor (on stand with wheels)

This product is a cut-away of a 2 stroke single cylinder gas engine with a carburetor. It is operated manually by a hand crank, and it is carefully sectioned for training purposes, professionally painted with different colors to better differentiate the various parts, cross-sections, lubricating circuits, fuel system, cooling system, etc. Many parts have been chromium plated and galvanized for a longer life. The cut-away is mounted on a stand with wheels.

SPECIFICATIONS:

- Carburetor
- Water cooling system
- CVT automatic clutch
- Disc brake
- Silencer
- Operated manually by hand crank
- Mounted on a stand with wheels
