

Product Name : Reducing Valve - Heat Transfer Training Systems and Heat Lab Engine Trainers for engineering schools	Product Code : NEMHTM24
	
Description :	
Reducing Valve, technical teaching equipment for engineering - Heat Transfer Training Systems and Heat Lab Engine Trainers	
Technical Specification :	
Reducing Valve fitted to the clients in best quality. The equipments we offer have very high durability and very long lasting feature. Compared to others with international quality standards, they are highly distinguished by the clients due to their long lasting, free workout in affordable prices. Features: Long lasting Highly efficient	

- Easy to install
- Smooth workflow
- Durable

Specifications:

- Large size sections cut Model
- Valve to reduce pressure
- Efficient
